Dear Investigator/Sponsor Report Recipient:

The College of American Pathologist's Laboratory Accreditation Program is a continual process. A laboratory remains accredited until otherwise notified.

The CAP laboratory accreditation for Covance Biorepository, Services Building 210, 671 South Meridian Road, Greenfield, Indiana 46140 remains in effect, even though the certificate issued, effective through 17 March 2017, is expired.

The Laboratory was inspected on 08 March, 2017 and a new certificate will be supplied to Covance Pharmaceutical Research and Development within the next few months. Upon receipt, there will be a new letter with the updated certificate to be added to your Investigator Manual or appropriate CCLS file.

Regards,
