Dear Investigator/Sponsor Report Recipient:

The CAP ISO 15189 laboratory accreditation for Covance Central Laboratory Services, 8211 SciCor Drive, Indianapolis, IN 46214 remains in effect, even though the certificate issued, effective through 28 Aug 2018, is nearing expiration.

The Laboratory is scheduled to be inspected the week of 10-14 September 2018 and a new certificate will be supplied to Covance Central Laboratory Services, CCLS within the next few months. Upon receipt, we will provide an updated certificate that can be added to your Investigator Manual or appropriate CCLS file.
